              **T** for Trusty ships that sail the sea,  
              **O** for the Oceans that those warships rule,  
              **N** that we Never shall be slaves,  
For Britons always have protection,  
'Neath their flag that rules the wave.

*2nd Verse*    **C** for our Canada the best of all,  
              **A** for the Answer that we gave,  
              **N** means we'll Never let the old flag fall,

And Canada stands by the Motherland  
And the flag that rules the wave.

### CHORUS

It's the flag that will protect us  
It's a dear old Red, White and Blue,  
For we'll live for it, we'll die for it,  
For our home and our country too,  
So come boys, give three British cheers  
And let your voices ring,  
Whilst the Maple Leaf is our Emblem dear  
Hats off to the Flag and the King.
